

Correction: Using Quantitative Seroproteomics to Identify Antibody Biomarkers in Pancreatic Cancer

In this article (Cancer Immunol Res 2016;4:225–33), which appeared in the March 2016 issue of *Cancer Immunology Research* (1), a callout for Supplementary Table S1 was included in error. The sixth sentence of the "Identification of proteins by the SASI approach" section should have read as follows:

Thus, we narrowed our list (Supplementary Fig. S2) from 1,280 proteins to 31 proteins by employing Annexin A2-based thresholds and other rigorous selection criteria.
