

Correction: Targeting the YB-1/PD-L1 Axis to Enhance Chemotherapy and Antitumor Immunity

In the original version of this article (1), the authors inadvertently inserted plots showing CD3/IFN γ data instead of CD8/IFN γ data in Figure 6A. The corrected CD8/IFN γ plots are now shown in the latest online HTML and PDF versions of the article. This correction does not alter the main conclusions drawn from the study. The authors regret this error.
